You have bought Liberty Bonds?

Well, can't you buy more?

Sure you can!

You aren't down to the bottom of the pile yet, we know!

Never in your life have you had a chance to fight in a cause so gloriously worth while. Never can you be so proud over any financial deal as you can over buying Liberty Bonds. The best investment on earth, bought for the safety of the best country on earth.

Buy Bonds of the Third Liberty Loan

It is seldom one can help a great cause without personal sacrifice. But you can. These Bonds are the safest, best investment in the world. Security? Why, they are a first mortgage upon the United States. Every railroad in the country, every homestead, farm or public building, every industry, every income or salary, everything we own—everything *you* own—is pledged as collateral.

If you can't pay cash for your Bonds, you can borrow a part of the money at your bank, using the Bonds as security; or, you can buy them at your bank on the easy partial-payment plan. It is no trouble to buy Liberty Bonds—it is no trouble to pay for them. See your banker today.
